Letter to Shareholders

Dear Stakeholders,

At the outset, I hope all of our valued patrons are keeping well both physically and mentally during these unheard of and trying times. I sincerely wish all of you the best of health & blessings of the divine to sail through this terrible storm.

We are pleased to share with you the Annual Report of your Company for the Financial Year 2021. The year started on a startling note with uncertainty of absurd proportions. It was unprecedented for your Company's factories to be closed for production (which had never happened since inception of your Company) as we cater to a MUST RUN industry. Your Company's factories were only shut for 8 days during the pandemic, as all the major steel plants in India accorded the MUST RUN status to your Company. The confidence our customers have shown in your Company during these times is a testament to the quality and delivery commitment of your Company.

Indian steel industry is in a super cycle since the last quarter of FY2021. The export demand for Indian steel has been unprecedented due to variety of factors but mainly attributed to the supply chain disruptions in major steel producing nations. India being self-sufficient due to ore & other critical raw materials, has been able to feed the world's demand in these times of crisis like never before.

Due to high demand of Indian steel the demand for your Company's products in the last quarter of FY-21 have more than made up for the deficit in demand during the first 3 quarters of FY-21. The turnover has increased 3.5% only but EBITDA has jumped by 31.33%. Over the same period your Company has been able to reduce its finance costs and become leaner showing resilience and agility to change during the pandemic. Due to these efforts your Company's net profit has increased by 72.35% and net profit margin has improved from 2.16% to 3.60%. These indicators clearly show the strength of your Company's management and team.

Further, due to your Company's strong supply chain management it has been able to cater to orders where others have failed. You will be pleased to know that due to such high standards of continuous service even in adverse conditions, almost all major steel plants have granted us a favoured vendor status. This has directly led to 80% capacity fill rate as of 30th April 2021 for the entire FY-22. Your Company is working towards capacity expansion in the short term without any CAPEX involvements to cater to month on month increasing demands both domestic & abroad. Overall the scenario of steel industry and with that your Company's performance appears to be healthy.

I express my sincere gratitude to all fellow Directors for their invaluable contribution through their continuous guidance and encouragement, which have been momentous for the success of the Company. I would also like to thank all our employees for their hard work, dedication and strong commitment towards our Company during these very trying times.

I finally thank all of you, the stakeholders, for your continued patronage and trust in the management of your Company. I assure you that we are committed to building a Company, which are all proud of.

DIRECTORS' REPORT

To
The Members,

Your Directors have the pleasure of presenting the 26th Annual Report of **SARTHAK METALS LIMITED** along with the Audited Financial Statements for the year ended 31st March 2021.

1. FINANCIAL SUMMARY/HIGHLIGHTS:

Our Company's financial performance for the year under review has been encouraging and is summarized below:

(In Lakhs)

Particulars	Current Year as on 31.03.2021	Previous Year as on 31.03.2020
Total Income	222,07.87	215,26.21
Less: Expenditure & Depreciation	211,36.21	208,80.41
Less: Exceptional items	(2.07)	4.42
Profit before Tax (PBT)	1073.72	641.37
Less: Tax (including deferred tax)	276.89	179.04
Profit After Tax (PAT)	796.83	462.33

2. PERFORMANCE REVIEW:

Your Company is entering FY 22 with strong growth momentum and with much better visibility for future growth than last year, powered by a strong order book built up throughout the year and a robust deal pipeline. It has been a difficult year for the entire world. Despite the ferocity with which the second and third waves of the pandemic are now hitting us, we are in a far better place in FY 2021 than we were in FY 2020. Our business performance in the year gone by is also a reflection of that innate resilience and adaptability. In the early month of the pandemic, when the worldwide lockdown disrupted the economic activity across virtually all sectors, your Company responded with speed and agility. Record YOY EBIDTA of Rs. 1614.19 lakhs, up 31.33%, supported by strong profit and income. The Profit After Tax stood at Rs 7.96 crores against Rs. 4.62 crores in FY 20. Due to high demand of Indian steel the demand for your Company's products in the last quarter of FY 2021 have more than made up for the deficit in demand during the first 3 quarters of FY 2021.

3. DIVIDEND:

The Board consider that the profits of the Company are attributed to the trust of the shareholders in the management of the Company. Accordingly, the board proposed to declare a dividend of 10% per equity share i.e. Re. 1/- (Rupees One Only) per share and the same has been placed for approval of shareholders of the Company in the forthcoming Annual General Meeting (AGM). During the year under review, the Board in its meeting held on 25th June 2021 has recommended an amount of Rs. 13,689,750/- (Rupees One Crore Thirty Six Lakh Eighty Nine Thousand Seven Hundred Fifty Only) as proposed dividend. The above proposal has been recommended by the Board of Directors of the Company which needs to be approved by the shareholders at the ensuing Annual General Meeting.

4. MIGRATION AND LISTING ON MAIN BOARD:

Pursuant to provisions of Regulation 277 of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, Company can voluntarily migrate from SME Exchange to Main Board of BSE Limited and NSE Limited. The Board of Directors of the Company in its meeting held on 14th July 2021 decided to migrate from BSE SME Exchange to BSE Limited Main Board and Main Board of NSE Limited which will be approved by the members of the Company by way of Special Resolution vide Postal ballot. The Postal Ballot commenced on 19th July 2021 and end on 17th August 2021.

5. RESERVES:

The Company has not transferred any amount to the General Reserves during the financial year.

6. SHARE CAPITAL:

The Paid-up Equity share capital of the Company as on 1st April, 2020 was Rs. 13,68,97,500/- divided into 1,36,89,750 Equity Shares of Rs 10/- each. No change was made during the year. The equity share capital thus, as on 31st March 2021 was Rs. 13,68,97,500/-.

7. ANNUAL RETURN:

Pursuant to Section 92 (3) read with Section 134 (3) (a) of the Act, the Annual return as on March 31, 2021 is available on the Company's website on <http://sarthakmetals.com/docs/Annual%20Return%202020-21.pdf>

8. CHANGES IN DIRECTORS AND KEY MANAGERIAL PERSONNEL:

The composition of the Board is as per the Listing Regulations and provisions of the Companies Act, 2013. There was a change in the composition of the Board during the year under review.

Presently, the composition of the Board has seven Directors, led by Chairman, One Managing Director with two Whole-Time Directors, three Non-Executive Independent Directors.

During the year under review, the term of Independent Director namely Ms. Rama Kohli (DIN: 01835824) expires on 23rd August, 2021, for which, on the recommendation of Nomination and Remuneration Committee, the Board has approved her re-appointment as an Independent Director of the Company in the Board Meeting held on 25th June 2021.

The re-appointment of Ms. Rama Kohli as an Independent Woman Director will be approved by the members of the Company through a Special Resolution which will pass through the Postal Ballot, that commenced on 19th July 2021 and will end on 17th August 2021.

Mr. D.V. Giri (DIN: 02565046) was appointed as an Independent Director of the Company on 31st July 2020. He has provided his consent to act as an Independent director on the Board of the Company and has also provided necessary declaration as to independence.

Mr. Chetan Kumar resigned from the post of Non-Executive Independent Director w.e.f. 05th August 2020.

Ms. Itika Singhal resigned from the post of Company Secretary of the Company w.e.f. 30th June 2021.

Mr. Pratik Jain has been appointed as the Company Secretary of the Company by the Board in its meeting held on 25th of June, 2021 his appointment is effective from 30th June, 2021.

Mr. Mayur Bhatt has been appointed as the Chief Executive Officer of the Company w.e.f. 14th July 2021 who is also the Whole-Time Director of the Company since 21st August 2016.

Mr. Sunil Dutt Bhatt (DIN: 09263587) has been appointed as an additional Independent Director of the Company w.e.f. 04th August 2021. He has provided his consent to act as an Independent director on the Board of the Company and has also provided necessary declaration as to independence.

Mr. Kishore Kumar Bansal resigned from the post of Non-Executive Non-Independent Director w.e.f. 02nd August 2021.

Mr. Sunil Kumar Agarwal has been appointed as the Chairperson of the Company in place of Mr. Anoop Kumar Bansal w.e.f. 04th August 2021.

The Board confirms that none of the Directors of the Company is disqualified from being appointed as Director in terms of section 164 of the Companies Act, 2013 and necessary declaration has been obtained from all the Directors in this regard.

The Board also confirms that none of the directors on the board of the Company have been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India / Ministry of Corporate Affairs or any other statutory authority.

9. RE-APPOINTMENT OF DIRECTOR:

In accordance with section 152 of the Companies Act, 2013, Mr. Sunil Kumar Agarwal, Non-Executive Non-Independent, Professional Director of the Company, would retire by rotation at the forthcoming Annual General Meeting and is eligible for re-appointment. Mr. Sunil Kumar Agarwal has offered himself for re-appointment.

10. MANAGEMENT DISCUSSION AND ANALYSIS:

As required by Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 a Management Discussion & Analysis Report is annexed to this report as 'Annexure- A' forms part of the Annual Report.

11. REPORT ON CORPORATE GOVERNANCE:

Integrity and transparency are key factors to our corporate governance practices to ensure that we achieve and will retain the trust of our stakeholders at all times. Corporate governance is about maximizing shareholder value legally, ethically and sustainably. At Sarthak Metals Limited, our Board exercises its fiduciary responsibilities in the widest sense of the term. Our disclosures seek to attain the best practices in international corporate governance. We also endeavor to enhance long-term shareholder value and respect minority rights in all our business decisions.

As our Company has been listed on the SME Platform of BSE Limited, by virtue of Regulation

15 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 the compliance with the Corporate Governance provisions as specified in regulation 17 to 27 and Clause (b) to (i) of sub regulation (2) of Regulation 46 and Para C D and E of schedule V are not applicable to the Company. Hence Corporate Governance Report does not form a part of this Board Report, though we are committed for the best corporate governance practices.

12. DECLARATION BY INDEPENDENT DIRECTORS:

The Company has received declarations from all the Independent Directors of the Company under Section 149 (7) of Companies Act, 2013 confirming that they meet with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Companies Act, 2013 and under Regulation 16 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

13. PERFORMANCE EVALUATION OF BOARD, COMMITTEES & INDIVIDUAL DIRECTOR:

A formal evaluation of the performance of the Board, its Committees, the Chairman and the individual Directors was led by Nomination & Remuneration Committee, the evaluation was done using individual interviews covering amongst other vision, strategy and role clarity of the Board. Board dynamic and processes, contribution towards development of the strategy, risk management, budgetary controls, receipt of regular inputs and information, functioning, performance & structure of Board Committees, ethics & values, skill set, knowledge & expertise of Directors, leadership etc.

As part of the evaluation process the performance of non- independent Directors, the Chairman and the Board was done by the Independent Directors. The performance evaluation of the respective Committees and that of independent and non- independent Directors was done by the Board excluding the Director being evaluated. The Directors expressed satisfaction with the evaluation process.

14. FAMILIARISATION PROGRAMMES FOR BOARD MEMBERS:

The Board members are provided with product, brochures, reports and internal policies to enable them to familiarize with the Company's procedures and practices. The Chairman and Managing Director had one to one discussion with newly appointed Directors to familiarize them with the Company's operations. Periodic presentations are made at the Board and Board Committee Meetings, on business and performance updates of the Company, global business environment, business strategy and risks involved. Quarterly updates on relevant statutory and regulatory changes are circulated to the Directors.

15. NUMBER OF MEETINGS OF THE BOARD OF DIRECTORS:

The Board of Directors duly met 5 (Five) times in financial year 31st March 2021 and as per section 173 of the Companies Act the time gap between any two Meetings has not been more than one hundred and twenty days. The dates on which the Board Meetings were held are 22nd June 2020, 31st July 2020, 15th September 2020, 10th November, 2020 and 08th March, 2021.

^Designates as a Woman Director on Board.

Appointed on 31st July, 2020

@ Resigned on 05th August, 2020

As per the disclosure received, none of the Directors of your Company hold memberships/Chairmanships more than the prescribed limits across all companies in which he/she is a Director.

16. MEETINGS OF INDEPENDENT DIRECTORS:

The Company's Independent Directors shall meet at least once in every financial year without the presence of Executive Directors or management personnel. Such meetings are conducted informally to enable Independent Directors to discuss matters pertaining to (i) review the

performance of Non-Independent Directors and the Board as a whole, (ii) review the performance of the Chairperson of the Company, taking into account the views of Executive Directors and Non-Executive Directors; and (iii) to assess the quality, quantity and timeliness of flow of information between the Company Management and the Board. The meeting of Independent Directors was held on 10th November, 2020.

17. COMMITTEES OF THE BOARD OF DIRECTORS:

In compliance with the requirement of applicable laws and as part of the best governance practice, the Board has constituted various Committees of its members. These Committees hold meetings at such frequencies as is deemed necessary by them to effectively undertake and deliver upon the responsibilities and tasks assigned to them. Minutes of the meetings of each of these Committees are tabled regularly at the Board Meetings.

Your Company currently has 4 (Four) Committees viz:

I. AUDIT COMMITTEE:

The Company has formed a qualified and Independent Audit Committee which acts as a link between the Auditors and the Board of Directors. The terms of reference of the Audit Committee cover the matters specified for Audit Committee in the SEBI Listing Regulations and Section 177 of the Companies Act, 2013.

As on 31st March, 2021, the Audit Committee comprises of the following members-

- | | | |
|------|--------------------------|----------|
| i. | Mr. D.V. Giri | Chairman |
| ii. | Ms. Rama Kohli | Member |
| iii. | Mr. Kishore Kumar Bansal | Member |

The Committee met 3 times during the year on 22nd June 2020, 10th November 2020 and 08th March 2021 and the attendance of Members at the Meetings.

'ANNEXURE- A'**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****1. DEMAND & SUPPLY**

India was the world's second-largest steel producer in 2019, surpassing Japan with crude steel production of 111.2 million tonnes (MT). In FY20, crude steel production and finished steel production in India was 108.5 MT and 101.03 MT, respectively. Between April 2020 and February 2021, India's cumulative production of finished steel stood at 85.60 MT while the cumulative production of crude steel stood at 92.78 MT. The level of production has almost remained at level in the two year's despite severe conditions.

Steel exports by India reached a record level of 17.4 MT in FY21 (including 6.6 MT of semis) which exceeds last year's level by as high as 55.5%. Vietnam has received maximum Indian steel exports, followed by China (semis export), Italy, the UAE and Nepal. India has become a net exporter by a big margin as total steel imports at 5.04 MT is 29.6% lower compared to last year. India has imported maximum from South Korea, China, Japan and Taiwan. Large volume of HRC imports from South Korea was undertaken to feed the Korean service sectors' demand. These imports are expected to be replaced by domestic supply. Total imports valued at Rs 63,038.9 crore in FY21 was much lower compared to the export proceeds (all items inclusive) earned by the country at Rs 91,545.5 crore.

India's production of crude steel and finished steel fell by 5.9% to 103 million tonnes and 7.3% to 95.1 million tonnes in FY21, impacted by the Covid-19 pandemic which hampered production mainly in Q1FY21. However, the domestic steel industry made a quick recovery in the second half of FY21 riding on the back of higher international steel demand and revival in domestic demand. By Q2 domestic crude steel production reached 96% of pre-covid levels and by Q3 production was 7.5% higher yoy. In Q4FY21, crude steel production increased by 7.4% as manufacturer's ramp up output in a seasonally strong quarter. Moreover, Q4FY20 output was impacted by lockdown imposed by the central government to curtail spread of covid-19 thereby resulting in lower production in March 2020. Consumption of finished fell by 6.7% in FY21.

2. ANALYSIS

The second half of the covid - struck FY-21 saw an unprecedented rally in domestic steel prices which seems unstoppable even in the current FY-22. Domestic flat steel - Hot Rolled Coiled (HRC) prices are up 40% since April 2020 and prices of long steel - TMT are nearly 30% higher as on March 2021.

Steel prices continue to set new record highs month after month. In April 2021, domestic steel players announced further price hikes by up to Rs 1,000-2,000 per tonne in HRC and around Rs 3,000 per tonne in CRC. HRC are offered at Rs 59,700-60,000 per tonne in April 2021, up from Rs 36,950 per tonne in April 2020. This is the highest level seen since 2008, the year of the financial crisis.

The up-cycle in domestic steel prices is supported by the bullish trend in the global steel prices and revival in domestic demand. The rally in global steel prices were initially driven single-handedly by China until other large economies like USA and Europe came roaring back to the market armed with stimulus checks which resulted into demand outpacing supply. Sellers who idled capacities due to the pandemic earlier has been slow to ramp up post lockdowns.

The market that has witnessed the highest jump in steel prices is USA. Steel prices of HRC (FOB) in USA are up 160% y-o-y at \$ 1,455 per tonne in April 2021, surpassing high of \$ 1,100 per tonne in 2008. HRC prices in Western Europe are up 96% yo-y at \$ 911 per tonne in April 2021. In China, prices are around \$ 721 per tonne, up 79% since a year-ago. Comparatively, Indian HRC prices are around \$ 821 per tonne, nearly 44% lower than steel prices in USA. This means that despite the 25% tariff barrier it is still attractive to export to USA. And indeed this has led to spike in exports. In March 2021, finished steel exports from India jumped 125% y-o-y and was almost double the quantity shipped in February 2021. Exports to European countries like Italy, Belgium and Spain have gathered momentum in the past few months due to higher export realisations

3. OPPORTUNITIES

According to the data released by Department for Promotion of Industry and Internal Trade (DPIIT), Indian metallurgical industries attracted Foreign Direct Investment (FDI) to the tune of US\$ 14.24 billion between April 2000 and September 2020. The Government's National Steel Policy 2017 aims to increase the per capita steel consumption to 160 kgs by 2030-31. In FY22, crude steel production is expected to reach 112-114 million tonnes, which would be a growth of 8-9% yoy. The crude steel production is expected to be marginally higher than FY19 when India produced nearly 111 million tonnes of crude steel. Steel demand will be supported by economic recovery, government spending and enhanced liquidity.

The traditional demand driving sector for steel continues to be construction, which with the help of real estate construction and infra stimulus that have been announced by almost all the countries to prop up their economies immediately after the pandemic, would play a stellar role in strengthening steel demand. The demand for logistic-related facilities to support e-commerce, along with green recovery programmes and infra renewals would play their part. In India, the transportation of clean drinking water to cover each household in the country, LPG gas supply through pipes and transportation of oil and gas have been identified as key action areas.

The automobile sector that accounts for a much larger share in steel consumption in the US, the EU, Japan and South Korea (22-25% against 9% in India), is poised for a growth after sliding down in last three years. The Covid 19 pandemic has brought about a thrust on owning personal vehicles as opposed to public transport. Shortage of semiconductors may pose a risk in supply chain management. Passenger cars, light and medium commercial vehicles and tractors are selling at a high rate in India to reflect rising rural income and demand. Steel companies are looking to restart expansion projects on the back of burgeoning steel processes with a capacity addition of 29 MT.

The Union Budget for 2021-2022 has a sharp 34.5% yoy increase in allocation for Capex at 5.54 lakh crore. The budget's thrust is on infrastructure creation and manufacturing to propel the economy. Therefore, enhanced outlays for key sectors like defence services, railways, and roads, transport and highways would provide impetus to steel consumption which is expected to grow by 10-12% in FY22 to cross 100 million tonnes for the first time ever. An up-cycle in steel prices is expected to continue in FY22. Stimulus package unveiled by various countries will keep demand for steel high. Absence of China from the world export market and higher import of steel from China is one of the major factor keeping steel prices elevated. Continued higher demand from China on the back of stimulus package and the country's desire to bring down production levels in 2021 to reduce Co2 levels will be an important factor that will strengthen steel prices.

'ANNEXURE- B'

PROVISIONS RELATING TO REMUNERATION OF MANAGERIAL PERSONNEL, KMP AND SENIOR MANAGEMENT:

- a. To grant approval for formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board of Directors a policy relating to, the remuneration of the directors, key managerial personnel and other employees.

Form No. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
SARTHAK METALS LIMITED
B. B. C. Colony, G. E. Road, Khursipar,
Bhilai - 490011

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SARTHAK METALS LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and submitted for verification through electronic mode and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has adequate Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on 31st March, 2021 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

- c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not Applicable as the Company has not issued any further share capital during the year;
- e) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014 (Not Applicable);
- f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not Applicable);
- g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (Not Applicable);
- h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable as the Company has not delisted / propose to delist any of its securities during the financial year under review.); and
- i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not applicable as the Company has not bought back / propose to buy back any of its securities during the financial year under review);

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreement entered into by the Company with Stock Exchange.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There was change in the composition of the Board of Directors during the period under review in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All the decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there were no instances of:

- i) Right Issue | Preferential issue of shares | issue of debentures | issue of sweat Equity.
- ii) Redemption | Buy-back of securities.
- iii) Major decisions taken by the Members in pursuance to Section 180 of the Act.
- iv) Foreign Technical Collaborations.

We further report that the Company has filed some forms under 'Company Fresh Start Scheme, 2020.'

We further report that during the audit period the Company has not undertaken events/ actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

INDEPENDENT AUDITORS' REPORT

To
The Members of M/s Sarthak Metals Limited.

Report on the audit of the financial statements**Opinion**

We have audited the standalone financial statements of **M/s SARTHAK METALS LIMITED** ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss, and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free

from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules,
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our

information and according to the explanations given to us:

1. The Company does not have any pending litigations which would impact its financial position.
2. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
3. There were no amounts which are required to be transferred by the Company to the Investor Education and Protection Fund.

ANNEXURE B to the Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s SARTHAK METALS LIMITED (Formerly known as Sarthak Metals Marketing Private Limited)** ("the Company") as of 31st March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial

statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SARTHAK METALS LIMITED
(Formerly Known as SARTHAK METALS MARKETING PRIVATE LIMITED)
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR
ENDED 31ST MARCH 2021

Note 1: SIGNIFICANT ACCOUNTING POLICIES

1.1 Corporate Information

Sarthak Metals Limited (hereinafter referred to as 'the Company') is a public company domiciled in India. Earlier the Company was known as Sarthak Metals Marketing Private Limited. Its shares are listed on BSE SME Stock Exchange. The company is engaged in the manufacturing and selling cored wires ferro alloys aluminium wire industrial gases and related items.

BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under Section 133 of the Companies Act 2013 read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rules 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies have been consistently applied by the Company and are consistent with those of previous year.

2.1 Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments estimates and assumptions that affect the reported amounts of revenues expenses assets and liabilities and the disclosure of contingent liabilities at the end of the reporting year. Although these estimates are based on the management's best knowledge of current events and actions uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future years.

2.2 Fixed assets

Tangible Fixed Assets

Tangible fixed assets are stated at cost of acquisition or construction less accumulated depreciation and impairment loss if any. The cost of an asset comprises of its purchase price and any directly attributable cost of bringing the assets to working condition for its intended use.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the statement of profit and loss for the year during which such expenses are incurred.

Intangible fixed assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less accumulated amortization and accumulated impairment losses if any.

2.4 Depreciation

Depreciation on fixed assets is calculated on a written down value method using the rates arrived at based on the useful lives estimated by the management as prescribed in Schedule II to the Companies Act 2013 on a pro-rata basis from the date the asset is ready to put to use.

The appropriateness of depreciation/amortisation period and depreciation/amortisation method is reviewed by the management in each financial year.

2.5 Impairment of tangible and intangible assets

The Company reviews the carrying amounts of assets at each balance sheet date to ascertain if there is any indication of impairment. If any indication exists the asset's recoverable amount is estimated. For assets that are not available for use the recoverable amount is estimated at each reporting date. An impairment loss is recognised wherever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount and is recognised in the Statement of Profit and Loss. After impairment depreciation is provided on the revised carrying amount of the asset over its remaining useful life. The impairment loss recognised in the prior accounting period is reversed if there is change in the estimate used to determine the recoverable amount. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

2.6 Inventories

Raw materials components stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials components and stores and spares is determined on FIFO basis.

Finished goods are valued at lower of cost and net realizable value. Cost includes direct materials. Cost of finished goods includes GST. Cost is determined on FIFO basis.

Traded goods are valued at estimated cost based on the selling price of the stock based on the past practice.

Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

2.7 Income Tax

Tax expense comprises current and deferred tax. Current tax is provided for on the taxable profits of the year at applicable tax rates. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realised against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain as the case may be that sufficient future taxable income will be available.

2.8 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of traded goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer. The Company collects GST on behalf of the government and therefore these are not economic benefits flowing to the Company. Hence they are excluded from revenue. GST is deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the year.

Other operating income

Revenue from other sources have been recognized on accrual basis.

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

2.9 Investments

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

2.10 Foreign currency translation - Foreign currency transactions and balances

Initial recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items which are measured in terms of historical cost rate at denominated in a foreign currency are translated using the exchange rate at the date when such value was determined the date of the transaction.

Exchange differences

The exchange differences arising on account of conversion / settlement of transactions are recognised in the statement of profit or loss as income or expenses in the period in which they arise.

2.11 Employee benefits

Salaries wages and bonuses are accrued in the year in which the associated services are rendered by employees of the Company. Other employee benefits include provident fund superannuation fund gratuity fund compensated absences long service awards and post-employment medical benefits. The Company's contribution to provident fund and superannuation fund are charged as an expense as they fall due based on the amount of contribution required to be made.

2.12 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.13 Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and are adjusted to reflect the current best estimates.

2.14 Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

2.15 Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.16 Deferred Revenue Expenditure

Preliminary expenses or Initial Public offer's expenses are being written off in five equal yearly installments.

2.17 Segment Reporting

The Company's operating businesses are organized and managed separately according to the nature of products and services provided with each segment representing a strategic business unit that offers different products and serves different markets. The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.
